Dear Monument Manor Neighbor,

**PARK BLVD REPAVING:** We have learned that San Bernardino County has hired a contractor and set a start date of September 3, 2019 for the Park Blvd. road improvements. They will be pulverizing the entire road and completely repaving it starting at Highway 62 and ending to the south at Alta Loma. This may impact your normal way to/from the Manor. Anticipated construction dates: *September 3 - October 28.*

**MANOR ROADS:** The extensive work we have done on our roads before and after storms would not have been possible without your generous contributions. Thank you to everyone who has contributed! We continue to push our strategy for our roads from a post-storm maintenance mode to a more pro-active mode. With additional financial resources, we would be able to initiate and complete many of these pro-active road projects. If you would like to support healthy roads in the Manor:

1. mail your contribution to: MMNA, PO Box 892, Joshua Tree, CA 92252
