Dear Monument Manor Residents,

One of the projects described in the linked documents below concerns the **Desert View Conservation Area, aka Section 6**, adjacent to Monument Manor. Given the possible implications of future development of this area on the neighborhood and residents recreational activities, we recommend that you take the survey and/or otherwise participate in the planning process.

.....

Below are surveys from the County Special Districts Department regarding projects in our area sent by Christina Garcia, Executive Aide, Joshua Tree Field Office, Dawn Rowe, Third District Supervisor. Please comment on one or both surveys. This link is a brief presentation describing both proposals: <http://www.specialdistricts.org/Modules/ShowDocument.aspx?documentID=3247>. Page 10 shows a map of the proposed changes to the Desert View Conservation Area, aka Section 6 in relation to Monument Manor.
